

Welcome to **The St Albans Bowling Club** Open Days 2025

Come and have a go at this enjoyable sport.

The Day is Free and is open to everyone, no matter what age or ability.

As part of the Bowls England annual **BIG WEEKEND** we are holding three open days at our **friendly club in Clarence Park**. Come and enjoy a relaxed taster session with all the family - for those that have not played the game before.

We will endeavour to accommodate everyone, so just turn up on the day. If, however, you wish to try the game of bowls in a group of 4 or more people, please call or email Richard (details below) to book a suitable slot so you can all join in together.

All equipment is provided free of charge but please wear flat-soled shoes, such as trainers. There will also be light refreshments available.

SO, WHAT'S NOT TO ENJOY? COME ALONG AND HAVE A GO – WE LOOK FORWARD TO WELCOMING YOU.
